Leelanau County Environmental Services Office
Announces Relocation to Leelanau County Government Center

Benzie-Leelanau District Health Department (BLDHD) is excited to announce its relocation of Leelanau County Environmental Services Office to the government center in Suttons Bay, Michigan. The new office will officially open its doors to residents on Monday, April 1st, 2024.

The move to the Leelanau Government Center aims to provide enhanced accessibility and convenience for residents seeking environmental services within Leelanau County. The office will continue to offer a comprehensive range of services, including but not limited to:

- Food service licenses
- Well permits
- Septic permits
- Water testing kits

A full list of environmental services offered can be found on the [BLDHD website](http://www.bldhd.org).

“Our move to the Government Center means the convenience of one stop shopping for anyone who needs to acquire county permits for their project,” said Eric Johnston, Director of Environmental Health. “It also means better communication opportunities between the permitting agencies of the county. It is a win-win situation for the residents of Leelanau County.”

Residents can contact the office at 231-256-0201 for inquiries. The office's new address is:
8527 E. Government Center Dr.
Suite LL-007
Suttons Bay, MI 49682

Additionally, the office can be reached by fax at (231) 256-0225.

As part of our commitment to transparency and accessibility, residents can also access their well and septic records through our digital records portal available on [our website](http://www.bldhd.org).

The Leelanau County Environmental Services Office looks forward to serving residents from its new location and continuing to uphold the highest standards of environmental stewardship within the community.
