BENZIE LEELANAU DISTRICT HEALTH DEPARTMENT STRATEGIC PLAN--PRACTICAL VISION

Created by All Staff on December 4, 2020 and Confirmed by Employee Committee on April 22, 2022

PRACTICAL VISION	:						
What do we want t	o see at BLDHD as	a result of our own	actions?				
Effective marketing communication tools	Focus on health equity	Supportive outreach in the community	Efficient and effective service delivery	Highly engaged and satisfied staff	Expanded collaborative relationships in the community	Improved internal tools, technology, and administration	Financially secure agency
Increase innovative communications to the public	More outreach in underserved communities	Continued support for community and employees	Replace outdated septic systems through point of sale	Strengthened relationship between EH/PH and Admin	Building trust as a resource	Improve and streamlined workflow for EH clerks	Financially secure and fiscally responsible
Redesign website	Address mental health care gap in our community	Offer community education classes	Increase participation in services	Maximize staff retention	Improve collaboration with other agencies	Modernize technology and office equipment	Expansion of financial resources
Build better social media presence	Proactive community engagement	Community outreach hub— one-stop shop	Data-driven and evidence- informed services	Staff well-being is a priority	Better state department support for LHDs	Standardized workflows	
Improve community awareness of BLDHD activities in multiple formats and languages	Be a navigator for public health resources	Remove access barriers to community outreach (ie Munson)	Delivering services with excellence	Way to create stronger relationships between co- workers because of distance	Collaborate and communicate with local officials	Strengthened clear workflows and communication re human resources	
Education about well and septic evaluation	Increase in cultural awareness	Community version of 211	Accurate and efficient service delivery	Leader in teamwork	Post-pandemic recovered community	Updated EH policies and procedures	
Awareness in what we (EH and PH) do using ads or other technology	Increase/improve outreach to special populations	Sustaining community outreach	Increased response time and turnaround time (well and septic)	Administration responsive to staff input	Expanded collaborative relationships	Adequate tools to perform duties	
Health education highlighting programs and services Strengthen	Effective outreach to families with young children	Increase outreach presence across the counties	Improve client numbers				
website to be more user friendly							

BENZIE LEELANAU DISTRICT HEALTH DEPARTMENT STRATEGIC PLAN—UNDERLYING CONTRADICTIONS Created by Employee Committee on April 22, 2022

Underlying Contra	adictions						
What is blocking us from achieving our Practical Vision?							
Complex conditions surrounding equity	Long-term trauma to staff	Unprecedented organizational growth	Inadequate resources	Underdeveloped marketing outreach plan	Polarized and extreme political divisions	Technical deficiencies	Traumatic leadership transition
COVID/previous barriers being physically present in the community	Pandemic fatigue impact on physical and emotional well- being	New staff do not know all public health programs	Adequate staff to do the workload effectively	Marketing is missing some community members	Concerns about public scrutiny censors communication	Dedicated IT staff member for oversight	Leadership uncertainty
Transportation barriers, physical barriers, access to PCPs	Staff trauma, burnout, and exhaustion	New staff learning curve	Limited grant writing capacity	Limited experience and knowledge navigating tech	Threats to public health programs and staff	Unawareness of how to use technology	Board support requires constant attention
Impact evaluation and communications with the public	Need to assess staff needs	Limited physical on-site face-to-face engagement	Dependability of funding	Access to strong reliable internet	Divided community politics	Slowness of technology development	Leadership structure changes
Decreased participation with normal partners	COVID—what's next?	New programs learning curve	Competing priorities—little buffer for expected changes	Community support is needed to provide outreach	Political agendas	Supply chain concerns	
Community trauma from the pandemic	Grief, loss, and fear	Navigating remote work	Adequate space	Website needs improvements			
Inflation	Staff facing angry public	Rapid growth requires consistent processes, support, and communication					

BENZIE LEELANAU DISTRICT HEALTH DEPARTMENT STRATEGIC PLAN—STRATEGIC DIRECTIONS Created by Employee Committee on April 22, 2022

STRATEGIC DIRECTIONS:		
What innovative, substantive actions can we take that will d	eal with the underlying contradictions and move us closer to	our Practical Vision?
 Catalyzing a powerful outreach plan Hiring a marketing specialist Involving staff in in outreach and marketing plan Recommitting to representing health department on community committees Implementing a new website Working with Alliance partners to build grant-writing capacity Educating community partners and leaders Creating an outreach team 	 Engaging the community with positive presence Finding easy wins or kill them kindness Increasing offsite services Collaborating with community partners to improve access to services Increasing community presence with mobile and popup events Increasing our physical outreach in the community 	Reinvigorating community engagement and equitable access to services
 Enhancing workforce development Training staff on community health needs assessment and Behavioral Health Initiative findings Educating staff and community on health equity Training on public health principals with the Alliance Highlighting difference programs at monthly staff meetings 	 Expanding technical capacity Assessing technology needs Hiring an IT Manager Increasing engagement with other software users Holding training on getting the most benefit from technology 	Capitalizing on workforce potential
 Administering staff survey re social emotional needs Expanding RS opportunities to all staff Creating increased opportunities to be together Implementing staff wellness program based on identified Incorporating walks and outdoor meetings into RS meeti Promoting work/life harmony Utilizing funding to support staff needs Creating a supportive mental health program for staff 		Supporting staff with healthy workplace culture and strong leadership
	ancial resources finance	Maximizing financial resources
